IMPROVED BORDS TUBULAR WELL! This Well is warranted to work in the finest of quick sand, through clay banks into sand or gravel below. It shuts off all surface water, and can be put down to any depth required, where an ordinary Well cannot be made. It is also valua-ble to put into old Wells, where a large jupply of water is needed. The pipes can be piaced in a circle, all of them leading of such lands by the owners thereof; which to the centre, to which a large pump car se attached, and will supply from

This Well is provided with a strainer

which excludes all quick sands, and with-out which, this or any other Well will fill come worthless; in testimony whereof we refer you to the Wells which are in use without the strainer. This well has been thoroughly tested in quick sand, and we warrant it under all circumstances. With this Well we can raise water any distance from thirty to one hundred feet or more, and it works with as much as a sixteen feet suction pump. REFERENCES.

The following are a few of the many testimonials we have from parties using our Wells:

Camron, O., August 8, 1888.

Massas. Remera & Kully-Garrer. -I have one of Batcheller's "Improved Bored Tabular Wells," in operation at my residence, the tube extends to the depth of forty-three feet, the lower end resiling in pure sand. I have plenty of clear pure water, and in my opinion year well with the strainer attachment, is all that you recommend it to be.

Respectfully wours. Mrssss. Reports & Kelly-Dan Stst. The "Batcheller Improved Tubular Well" that you put into my house a few weeks since gives good sails-faction, it is all that you represent it to be. The water le very pure and goft.

Yours, W. W. GOODMAN

Cawton, August 1, 1888.

Mesers, Ranner & Krillt-I have one of your Improved Bored While in operation at my house, which suits me better than any I ever saw. It pumps easy and throws a large stream of pure water. The well is sixteen feet in depth, the point laying in a bed of fine quick sand; in just one half hour the water was as clear as crystal. Persons doubting the truth of this will please call at my residence, Nouth Poplar street, just below the railroad, and see for themselves. I would recommend to all those wanting a good substantial well to to all those wanting a good substantial well to purchase one of Batcheller's Improved Bored Tu bular Wells with strainer attachment.
